BARVIKHA HOTEL & SPA

All guests must be familiar with and follow the procedures below in the event of fire or other emergency.

If you discover a fire (flames, smoke, strong smell of burning):

- Leave the room immediately via the main door, following the flashing EXIT signs.
- Do not stop to collect personal belongings.
- Proceed along the corridor to the nearest emergency exit, marked with flashing EXIT signs.
- Activate the nearest fire alarm call point – a red box located 1.5 metres from the exit on each floor).
- Please note: the emergency stairwell is pressurised by two large fans to keep smoke out. The exit doors may require a firm push, and you will hear a loud noise — this is normal.
- Do not use the lifts (all lifts automatically return to the -1 floor in an emergency).
- Keep calm.
- All emergency exits can be opened without keys.
- The assembly point is 10 metres in front of the hotel's main entrance.

If an emergency announcement is made,
leave the building immediately via the nearest emergency exit.

In the event of a chemical contamination alert,
close all windows and doors and remain inside.
